

June 14, 2022

Dear Achilles International,

On behalf of Achilles International **INSERT CHAPTER NAME**, I am writing to request a scholarship for **INSERT ATHLETE NAME** to attend the **Barcelona Marathon** in October 2022.

XXX is an exceptional athlete that has been training with Achilles Spain for three years now. He is dedicated and shows up to every workout with a smile on his face. He also is a great friend to all his teammates, always volunteering to give them advice on pushing their racing wheelchairs or simply cheer for them through a tough workout.

The Barcelona marathon will be **XXX's** first major competition, but he has competed in many half marathons previously. I am certain he will be successful in this race. **XXX** requires financial assistance to purchase his flight to Barcelona from his home in Seville, a visa to travel, and funds to purchase food while away from home. Achilles **CHAPTER NAME** has held a fundraiser to cover his hotel expenses, we are just requesting supplemental assistance for his other expenses.

XXX's performance in the **Barcelona Marathon** will show the resilience and strength of Achilles athletes from around the world, and I personally can't wait to see what he will achieve there and in the future.

If you need any additional information, please email me at **INSERT CONTACT INFO**.

Cordially,

CHAPTER LEAD NAME
