Achilles Track Club Coming to Denver

The Achilles Track Club (<http://achillestrackclub.org>) is coming to Denver!

Achilles is a running club for people with physical handicaps and enables those who are visually impaired or who have other disabilities to participate in recreational and/or competitive running. We are planning to meet once or twice a week in the Denver metro area. Each participant can run or walk as much or as little as he/she wants and will be matched with a volunteer to guide him/her. Participants can come for a quick jog outside or can begin training for 5 or 10K races or even marathons.

Please contact Steve Hibbard (303) 941-1304, SWKHibbard@hotmail.com or Susan Wolff (301) 806-4861 for more information.
