**Tammy Duckworth and an Achilles team mate cross the start line at the Chicago Marathon.**

Sunday, October 12, was the Chicago Marathon. For the first time handrank bikes were allowed in the marathon, and the [Freedom Team](#) of wounded vets, as well as the [Achilles](#) track team of disabled athletes placed 10 competitors in the race. All 10 completed the course.

Tammy completed the course in 2 hours and 26 minutes.
